

K Love provides a very important community service. While I enjoy all types of music for the past 2-3 years I had almost quite listening to the radio because of the increase in off color humor and the extreme commercialization of the radio. I just didn't enjoy it. K Love is a very positive upbeat station with good music and uplifting stories. It brightens my day almost everyday. My 4 and 5 year old children can sing along without my having to worry whether or not there is inappropriate language. I would hate to lose the opportunity to enjoy the music and stories provided by this station. I am sure we would just go back to listening to books on tapes and CD's if that were to happen.
